

ADMINISTRATIVE ORGANIZATION
COUNCILS AND FACULTY SENATES

BGC
(LOCAL)

College District faculty, staff, students, and administrators serve the College District and participate in governance through membership and involvement in College District-recognized academic, governance, and strategic planning committees and task forces.

**Statement of Shared
Governance at Collin
College**

Shared governance in higher education refers to the structures and processes through which stakeholders have regular opportunities to include their voices in the discussion of important issues, policies, and major decisions. Shared governance at Collin College encourages the good-faith commitment and engaged participation of stakeholder groups in a structured approach to initiating and considering issues that further the college's mission and leads the college toward achieving strategic goals and master plan priorities. Such a model of governance requires the trust of all parties and can further build that trust through collaborative engagement.

Stakeholders include, but are not limited to, the college's Board of Trustees, faculty from a cross-section of disciplines, administrators, staff, and students. Differences in the influence of each voice in informing the decision-making process should be determined by the responsibility of the matter at hand. For example, faculty are primarily responsible for determining curriculum, while students have stronger influence with regard to student activity fees.

Collin College leadership acknowledges the importance of shared governance and recognizes the threshold conditions for high-functioning shared governance presented in the Association of Governing Boards Board of Directors' Statement on Shared Governance. The shared governance process will be reviewed periodically with the Board to ensure the effectiveness of the process and the engagement of stakeholder groups through the Academic, Governance, and Strategic Planning Council (AGS) or the appropriate council, committee, or task force.

Pursuant to state law, shared governance at Collin College will not be construed to diminish the authority of the governing Board of Trustees to make final decisions in the best interest of the institution, students, and taxpayers.
