Subject: Fitnessgram Testing

Well here we are again with a few changes for fitnessgram testing. I am sending an update from Marissa Rathbone, TEA, about who is to be tested for 2011-12. We will follow these guidelines.

Our first testing date will be November 14 th through the 18th. Our second testing date will be March 5th through 9th. Remember the majority of students should be tested in November. March will be for make up testing and for new students that missed the fall testing.

If you have a new staff member that will be assisting in the testing I will need to know who they are so we can set up a time for their training for proper administration of fitnessgram testing.

Please do not try to enter data in the fitnessgram program until you here from me. We will be updating the program in the near future. I will let you know when to begin entering data. The final date for entering your data will be April 9th.

Please put these dates on your calendar and visit with your principal to get things going and one the campus calendar. I will be sending more information and visiting with you personally.

Once again, thank you for all your help.

[SCHOOL-HEALTH] FITNESSGRAM Update for 2011-12 - Simplified

School Health and Safety [SCHOOL_HEALTH_AND_SAFETY@LIST.TETN.NET] on behalf of Rathbone, Marissa [Marissa.Rathbone@TEA.STATE.TX.US]

Sent: Tuesday, August 23, 2011 3:41 PM

To: SCHOOL_HEALTH_AND_SAFETY@LIST.TETN.NET

Starting in the 2011-2012 school year, the students *required* to be tested with FITNESSGRAM annually include those in grades 3-12 participating in any of the following classes or activities:

- Physical Education;
- athletics;
- Off-Campus Physical Education;
- JROTC;
- cheerleading;
- drill team;
- dance (when used to meet the physical activity requirement in K-8); and
- marching band.

Schools should consider testing all of their students in grades 3-12, if feasible. Please also include each student's PEIMS Identification in the data import process.

If you have additional questions, please email Marissa.Rathbone@tea.state.tx.us.
