Prices may not reflect applicable tariffs, duties, import fees, taxes, or other governmental charges. TriMark reserves the right to correct or adjust quoted prices at any time due to tariffs, market fluctuations, supply chain disruptions, third-party supplier cost changes, general contractor delays, or any other factors outside of TriMark's control. TriMark will use commercially reasonable efforts to hold pricing for seven calendar days from the date of the quote; however, all pricing remains subject to correction or adjustment as set forth above, including during the seven-day hold period.

For all custom fabricated equipment, exhaust hoods, walk-in coolers/freezers, and all items requiring owner selections of colors or laminate finishes, these prices are current estimates. We will re-quote those items based on the manufacturers' prices in effect at the time when field measurements can be taken and/or color/laminate selections are made by the owner. This policy also applies to all items of standard manufacture that cannot be shipped immediately upon fabrication to an owner's or general contractor's facility.
