## **STUDENTS COMMUNICABLE DISEASES**

**DECEMBER 16, 2019**

The Board of Education authorizes the superintendent or the superintendent's designee in appropriate circumstances to exclude a student or employee from the premises of the School District when the individual is known or reasonably suspected to have contracted a communicable disease based on the Wayne County Department of Public Health Disease Control Division Communicable Disease Reference Chart.

The superintendent or the superintendent's designee is charged with adhering to the aforementioned guidelines and procedures that provide, case by case, an assessment of the risks the infected individual presents to those persons who may come in contact with that individual. These guidelines and procedures must assure that confidentiality of the medical condition of the student or employee is maintained and that information is disseminated only on a "need to know" basis.
