<b>Total</b>	<b>\$ 129,789.71</b>

(Non-Audited Report)

The Child Nutrition Department Celebrated National School Breakfast week. The Child Nutrition Department successfully leveraged National School Breakfast Week to drive program awareness and address "breakfast skip" rates among the student population. The standout feature of this campaign was the introduction of the Unicorn Parfait. Target Non-Participants: Reach students who utilize the lunch program but typically skip school breakfast.
