RE: 5/14/2013 Bid Opening for Geneva Middle School Track Resurfacing

DATE: Wednesday, May 22, 2013

One bid for the above referenced project was received, opened and read aloud on May 14, 2013.

The result is as follows:

Vendor	Base Bid
Midwest Track Builders	\$57,182.00

It is my recommendation that the contract is not awarded at this time because there was only one bidder. This work will be combined with resurfacing Geneva Middle School North's track and issuing bids at a future date in hopes of receiving more competitive pricing. In the meantime, minor repairs will be made to Geneva Middle School South's track this summer.
