

Terrell Independent School District

Executive Summary Report

Date	District Guiding Pillar	
June 16, 2025	Goal 1: Student Achievement: Accelerate student learning to dramatically increase the number of students who perform on or above grade level.	

Agenda Item: Consider Approval of TNTP Educational Consulting Services

Summary:

Partnering with TNTP services aligns with our priority to dramatically increase the number of students who perform on or above grade level.

Our partnership goals include:

- designing and facilitating high impact professional learning sessions that lead to more effective instruction
- academic strategies grounded in learning acceleration
- providing teachers with what high-quality teaching looks like in dual language classrooms
- establish and maintain
