

Investment Authority

The Superintendent or other person designated by Board resolution shall serve as the investment officer of the District and shall invest District funds as directed by the Board and in accordance with the District's written investment policy and generally accepted accounting procedures. All investment transactions except investment pool funds and mutual funds shall be settled on a delivery versus payment basis.

**Approved
Investment
Instruments**

From those investments authorized by law and described further in CDA(LEGAL) under Authorized Investments, the Board shall permit investment of District funds, including bond proceeds and pledged revenue to the extent allowed by law, in only the following investment types, consistent with the strategies and maturities defined in this policy:

1. Obligations of, or guaranteed by, governmental entities as permitted by Government Code 2256.009.
2. Certificates of deposit and share certificates as permitted by Government Code 2256.010.
3. Fully collateralized repurchase agreements permitted by Government Code 2256.011.
4. No-load mutual funds, except for bond proceeds, and no-load money market mutual funds, as permitted by Government Code 2256.014.
5. A guaranteed investment contract as an investment vehicle for bond proceeds, provided it meets the criteria and eligibility requirements established by Government Code 2256.015.
6. Public funds investment pools as permitted by Government Code 2256.016.

Safety

The primary goal of the investment program is to ensure safety of principal, to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations by income received from the balance of the portfolio. No individual investment transaction shall be undertaken that jeopardizes the total capital position of the overall portfolio.

**Investment
Management**

In accordance with Government Code 2256.005(b)(3), the quality and capability of investment management for District funds shall be in accordance with the standard of care, investment training, and other requirements set forth in Government Code Chapter 2256.

**Liquidity and
Maturity**

Any internally created pool fund group of the District shall have a maximum dollar weighted maturity of 180 days. The maximum allowable stated maturity of any other individual investment owned by the District shall not exceed one year from the time of purchase. The Board may specifically authorize a longer maturity for a given investment, within legal limits.

The District's investment portfolio shall have sufficient liquidity to meet anticipated cash flow requirements.

Diversity

The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to reduce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.

**Monitoring Market
Prices**

The investment officer shall monitor the investment portfolio and shall keep the Board informed of significant changes in the market value of the District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, commercial or investment banks, financial advisers, and representatives/advisers of investment pools or money market funds. Monitoring shall be done at least quarterly, as required by law, and more often as economic conditions warrant by using appropriate reports, indices, or benchmarks for the type of investment.

**Monitoring Rating
Changes**

In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings.

Funds/Strategies

Investments of the following fund categories shall be consistent with this policy and in accordance with the applicable strategy defined below. All strategies described below for the investment of a particular fund should be based on an understanding of the suitability of an investment to the financial requirements of the District and consider preservation and safety of principal, liquidity, marketability of an investment if the need arises to liquidate before maturity, diversification of the investment portfolio, and yield.

Operating Funds

Investment strategies for operating funds (including any commingled pools containing operating funds) shall have as their primary objectives preservation and safety of principal, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

Custodial Funds

Investment strategies for custodial funds shall have as their primary objectives preservation and safety of principal, investment liquidity, and maturity sufficient to meet anticipated cash flow requirements.

OTHER REVENUES
INVESTMENTS

CDA
(LOCAL)
