614 SCHOOL DISTRICT TESTING PLAN AND PROCEDURE

I. PURPOSE

The purpose of this policy is to set forth the school district's testing plan and procedure.

II. GENERAL STATEMENT OF POLICY

The policy of the school district is to implement procedures for testing, test security, documentation, and record keeping.

III. DUTIES OF SCHOOL DISTRICT PERSONNEL REGARDING TEST ADMINISTRATION

[NOTE: This listing of school personnel may not be consistent with the personnel in the school district and, consequently, should be amended to reflect the personnel with responsibility for testing in the school district.]

A. Superintendent

1. Responsibilities before testing.
 - a. Designate a district assessment coordinator and district technology coordinator.
 - b. The superintendent, or a designee who has been authorized to be the identified official with authority by the school board, pre-authorizes staff access for applicable Minnesota Department of Education (MDE) secure systems.
 - c. Annually review and recertify staff who have access to MDE secure systems.
 - d. Read and complete the *Assurance of Test Security and Non-Disclosure*.
[NOTE: This form is available on the Minnesota PearsonAccess Next website—see Cross References for website address.]
 - e. Establish a culture of academic integrity.
 - f. Fully cooperate with MDE representatives conducting site visits or Minnesota Test of Academic Skills (MTAS) audits during testing.
 - g. Ensure student information is current and accurate.
 - h. Ensure that a current district test security procedure is in place and that all relevant staff have been provided district training on test administration and test security.
 - i. Ensure that a current process is included for tracking which students tested with which test monitors and any other adult(s) who were present in the testing room (e.g., staff providing assistance, paraprofessionals, etc.).

- j. Confirm the district assessment coordinator has current information and training specific to test security and the administration of statewide assessments.
 - k. Confirm the district assessment coordinator completes Pre-test Editing in the Test Web Edit System (WES).
 - l. Post on the school district website the complete Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing form.
2. Responsibilities after testing.
- a. Confirm the district assessment coordinator and Minnesota Automated Reporting Student System (MARSS) coordinator complete Post-test Editing in Test WES.
 - b. Verify with the district assessment coordinator that all test security issues have been reported to MDE and are being addressed.
 - c. Confirm the MARSS coordinator has updated all student records for Post-test Editing.
 - d. Confirm the district assessment coordinator has finalized the district's assessment information prior to the close of Post-test Editing in Test WES.
 - e. Confirm the district assessment coordinator, or designee, has access to the Graduation Requirements Records (GRR) system and enters necessary information.
 - f. Discuss assessment results with the district assessment coordinator and school administrators.

B. District Assessment Coordinator

1. Responsibilities before testing.
- a. Serve as primary contact with MDE regarding policy and procedure questions related to test administration.
 - b. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - c. Confirm all staff who handle test materials, administer tests, or have access to secure test content have completed the *Assurance of Test Security and Non-Disclosure*.
 - (1) Maintain the completed *Assurance of Test Security and Non-Disclosure* for two years after the end of the academic school year in which testing took place.
 - d. Review with all staff the *Assurance of Test Security and Non-Disclosure* and their responsibilities thereunder.
 - e. Identify appropriate tests for students and ensure student data sent to service providers for testing are correct.
 - f. Establish district testing schedule within the testing windows specified by the MDE and service providers.

- g. Prepare testing conditions, including user access to service provider websites, preparing readiness for online testing, preparing a plan for tracking which students test on which computers or devices, ensure accommodations are indicated as necessary, providing students with opportunity to become familiar with test format, item types, and tools prior to test administration; establishing process for inventorying and distributing secure test materials where necessary; preparing procedures for expected and unexpected situations occurring during testing; planning for addressing technical issues while testing; identify staff who will enter student responses from paper accommodated test materials and scores from MTAS administration online.
 - h. Train school assessment coordinators, test monitors, MTAS test administrators, and ACCESS (test for English language learners) and Alternate ACCESS test administrators.
 - (1) Provide training on proper test administration and test security (Pearson's Training Management System).
 - (2) Verify staff complete any and all test-specific training.
 - i. Maintain security of test content, test materials, and record of all staff involved.
 - (1) Receive secure paper test materials from the service provider and immediately lock them in a previously identified secure area, inventory same, and contact service provider with any discrepancies.
 - (2) Organize secure test materials for online administrations and keep them secure.
 - (3) Define chain of custody for providing test materials to test monitors and administrators. The chain of custody must address the process for providing test materials on the day of testing, distributing test materials to and collecting test materials from students at the time of testing, keeping test materials secure between testing sessions, and returning test materials after testing is completed.
 - j. Confirm that all students have appropriate test materials.
2. Responsibilities on testing day(s).
- a. Conduct random, unannounced visits to testing rooms to observe staff adherence to test security and policies and procedures.
 - b. Fully cooperate with MDE representatives conducting site visits or MTAS audits.
 - c. Contact the MDE assessment contact within 24 hours of a security breach and submit the *Test Security Notification* in Test WES within 48 hours.
 - d. Address invalidations and test or accountability codes.
3. Responsibilities after testing.
- a. Ensure that student responses from paper accommodated test materials and MTAS scores are entered.

- b. Arrange for secure disposal of all test materials that are not required to be returned within 48 hours after the close of the testing window.
- c. Return secure test materials as outlined in applicable manuals and resources.
- d. Collect security documents and maintain them for two years from the end of the academic school year in which testing took place.
- e. Review student assessment data and resolve any issues.

 - a. Designate a school assessment coordinator and technology coordinator for the building.
 - b. Be knowledgeable about proper test administration and test security as outlined in manuals and directions.
 - c. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - d. Communicate the importance of test security and expectation that staff will keep test content secure and act with honesty and integrity during test administration.
 - e. Provide adequate secure storage space for secure test materials before, during, and after testing until they are returned to the service provider or securely disposed of.
 - f. Ensure adequate computers and/or devices are available and rooms are appropriately set up for online testing.
 - g. Verify that all test monitors and test administrators receive proper training for test administration.
 - h. Ensure students taking specified tests have opportunity to become familiar with test format, item types, and tools prior to test administration.
 - i. Include the complete Parent/Guardian Guide and Refusal for Student Participation in Statewide Testing form in the student handbook.
- 2. Responsibilities on testing day(s).
 - a. Ensure that test administration policies and procedures and test security requirements in all manuals and directions are followed.
 - b. Fully cooperate with MDE representatives conducting site visits or MTAS audits.
- 3. Responsibilities after testing.

- a. Ensure all secure test materials are collected, returned, and/or disposed of securely as required in any manual.
- b. Ensure requirements for embargoed final assessment results are followed.

D. School Assessment Coordinator

1. Responsibilities before testing.
 - a. Implement test administration and test security policies and procedures.
 - b. Read and complete the *Assurance of Test Security and Non-Disclosure*.
 - c. Ensure all staff who handle test materials, administer tests, or have access to secure test content read and complete the *Assurance of Test Security and Non-Disclosure*.
 - d. Identify appropriate tests for students and ensure student data sent to service providers for testing are correct.
 - e. Prepare testing conditions, including the following: schedule rooms and computer labs; arrange for test monitors and administrators; arrange for additional staff to assist with unexpected situations; arrange for technology staff to assist with technical issues; develop a plan for tracking which students test on which computers or devices; plan seating arrangements for students; ensure preparations are completed for Optional Local Purpose Assessment (OLPA), Minnesota Comprehensive Assessment (MCA), and ACCESS online testing; ensure accommodations are properly reported; confirm how secure paper test materials will arrive and quantities to expect; address accommodations and specific test administration procedures; determine staff who will enter the student responses from paper accommodated test materials and scores from MTAS administrations online.
 - f. Train staff, including all state-provided training materials, policies and procedures, and test-specific training.
 - g. Maintain security of test content and test materials.
 - (1) Receive secure paper test materials from the service provider and immediately lock them in a previously identified secure area, inventory same, and contact service provider with any discrepancies.
 - (2) Organize secure test materials for online administrations and keep them secure.
 - (3) Follow chain of custody for providing test materials to test monitors and administrators. The chain of custody must address the process for providing test materials on the day of testing, distributing test materials to and collecting test materials from students at the time of testing, keeping test materials secure between testing sessions, and returning test materials after testing is completed.
 - (4) Identify need for additional test materials to district assessment coordinator.
 - (5) Provide MTAS student data collection forms if necessary.

- (6) Distribute applicable ACCESS and Alternate ACCESS *Test Administrator Scripts* and *Test Administration Manuals* to test administrators so they can become familiar with the script and prepare for test administration.
- (7) Confirm that all students taking ACCESS and Alternate ACCESS have appropriate test materials and preprinted student information on the label is accurate.

2. Responsibilities on testing day(s).

- a. Distribute materials to test monitors and ACCESS test administrators and ensure security of test materials between testing sessions and that district procedures are followed.
- b. Ensure *Test Monitor and Student Directions* and *Test Administrator Scripts* are followed and answer questions regarding same.

 - a. Ensure accurate enrollment of students in schools during the accountability windows.

- b. Ensure MARSS identifying characteristics are correct, especially for any student not taking an accountability test.
- c. Work with district assessment coordinator to edit discrepancies during the Post-test Edit window in Test WES.

I. Any Person with Access to Test Materials

Read and complete the *Assurance of Test Security and Non-Disclosure*.

IV. TEST SECURITY

- A. Test Security Procedures will be adopted by school district administration.

[NOTE: This form is available on the Minnesota PearsonAccess Next website—see Cross References for website address.]

- B. Students will be informed of the following:

- 1. The importance of test security;
- 2. Expectation that students will keep test content secure;
- 3. Expectation that students will act with honesty and integrity during test administration;
- 4. Expectation that students will not access cell phones, wearable technology (e.g., smart watches, fitness trackers), or other devices that can electronically send or receive information. The test of a student who wears a device during testing must be invalidated.

If a student completes testing and then accesses a cell phone or other prohibited device (including wearable technology), the school district must take further action to determine if the test should be invalidated, rather than automatically invalidating the test.

- 5. Availability of the online Test Security Tip Line on the MDE website for reporting suspected incidents of cheating or other improper or unethical behavior.

- C. Staff will be informed of the following:

- 1. Availability of the online Test Security Tip Line on the MDE website for reporting suspected incidents of cheating or other improper or unethical behavior.
- 2. Other contact information and options for reporting security concerns.

V. REQUIRED DOCUMENTATION FOR PROGRAM AUDIT

- A. The school district shall maintain records necessary for program audits conducted by MDE. The records must include documentation consisting of the following:

- 1. Signed *Assurance of Test Security and Non-Disclosure* forms must be maintained for two years after the end of the academic year in which the testing took place.
- 2. School district security checklists provided in the test materials shipment must be maintained for two years after the end of the academic school year in which testing took place.

3. School security checklists provided in the test materials shipment must be maintained for two years after the end of the academic school year in which testing took place.
4. Test Monitor Test Materials Security Checklist provided for each group of students assigned to a test monitor must be maintained for two years after the end of the academic school year in which testing took place.
5. School district test monitor tracking documentation must be maintained for two years after the end of the academic year in which the tracking took place.
6. ACCESS and Alternate ACCESS Packing List and Security Checklist provided in the test materials shipment must be maintained for two years after the end of the academic school year in which testing took place.
7. Documentation of school district staff training on test administration and test security must be maintained for two years after the end of the academic school year in which testing took place.
8. *Test Security Notification* must be maintained for two years after the end of the academic school year in which testing took place.
9. *Test Administration Report* must be maintained for one year after the end of the academic school year in which testing took place.
10. Record of staff trainings and test-specific trainings must be maintained for one year after the end of the academic year in which testing took place.

~~VI. RETALIATION PROHIBITED~~

~~An employee who discloses information to the MDE Commissioner or a parent or guardian about service disruptions or technical interruptions related to administering assessments under this section is protected under section 181.932, governing disclosure of information by employees.~~
