Operations Activity Report

July 2024

Maintenance

- Maintenance has been working on moving offices to classrooms, painting HVAC preventative maintenance, and other summer projects.
- We are currently down 1 groundskeeper position.

Custodial

- We are down 2 custodial positions and are interviewing to get these positions filled.
- Now that summer school is over, custodial team is working on stripping and waxing classroom floor and deep cleaning the classrooms and areas that were in use.

Safety and Security

- Our next Safety and Security Committee meeting will be held on Monday, July 8th.
- Fencing project is moving along as scheduled and will be completed before the start of school.
