---	---

Project Description:

Ferris Independent School District - Safety Film for Halo Project Districtwide

Scope Of Work Surveillance Analytics will provide and install 52 Halo 3C devices in restrooms in accordance with the drawings provided and site walk.

CABLE AND TERMINATION SCOPE
 Surveillance Analytics will pull cabling in accordance with accepted cable standards and will utilize existing cable pathways, cable trays, cable orings and j hooks and remove and replace any cable ties as needed for a professional installation. Surveillance Analytics will terminate and test each cable run for continuity.
 Surveillance Analytics will terminate each cable run, label, and attach to Ferris ISD supplied patch panels and supplied district standard patch cables in MDF/IDF network rooms for final cable dress out.

HALO DEVICE SCOPE
 Surveillance Analytics will supply and install the HALO 3C IN 52 Ferris ISD assigned locations depicted during sitewalk.
 Surveillance Analytics will secure each device in ceiling assigned with butterfly bolts and exit scheme aimed toward the door as indicated by HALO specifications.
 Surveillance Analytics will work with Ferris Isd Tech department for mac address, ip address, gateway, proxy, and label each location internally and also on the HALO cloud.

Description	Qty.	Unit Price	Ext. Price
HALO DEVICES	52	\$ 1,195.00	\$ 62,140.00
HALO CLOUD ANNUAL	52	\$ 140.00	\$ 7,280.00
CABLE PULL, TERMINATE, TEST AND LABEL	52	\$ 215.00	\$ 11,180.00
PROJECT MANAGEMENT	1	\$ 4,000.00	\$ 4,000.00
Percentage-Based Surcharge for Glaze (Utilized when the ratio needed for glaze exceeds a 2:1 ratio, for the extra material and labor required per sq. ft. of film)	0	\$ -	\$ -
Administration Bonding Fee (3%)	0	\$ -	\$ -
Mobilization / Per diem / Lodging	1	\$ 2,250.00	\$ 2,250.00

Taxes Included & Remit payment to Surveillance Analytics 9138 Olathe Street Houston, TX 77055 Thank you for your business!	Subtotal :	\$ 86,850.00
	Initial Payment :	\$ -
	Credit on Proposal :	\$ -
	Tax Amount :	\$ -
	Balance Due :	\$ 86,850.00

Additional Exclusions: Surveillance Analytics is not responsible for damaged preexisting ceiling tiles, Ferris ISD will provide matching ceiling tiles from stock.
 Surveillance Analytics is not responsible for any brick, concrete or mastic drilling or fire caulking if an existing pathway.
