On behalf of Eagle Pass High School Student Council, we would like to thank you for your consideration in receiving a monetary donation. The funds would be used for both students and staff at Eagle Pass High School. As a student council, we promote leadership, human relations and cultural values. Our organization has activities and promotes positive elements of school life through mass media to the entire community as well as help our students realize the genius and dignity of each individual. Your contribution will allow us to continue to promote these values within our campus as well as in our community. Thanks again for your consideration.

Sincerely,

Luis Huerta, EPHS Principal
