RE: PTO Events for 2012-2013 School Year

DATE: December 11, 2012

In the days following the board meeting on November 27, 2012, the Beye PTO provided us with a list of its events and activities for the 2012-2013 school year. This list is being presented to you this evening in conjunction with the recommendation from the district's insurance provider that we share the information with you so you can formally acknowledge that you are aware of what has been scheduled and authorize coverage under our insurance.
