

**GOVERNING BOARD AGENDA ITEM**  
**AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

---

**DATE OF MEETING:**      **August 11, 2015**

**TITLE:**            **Approval of the Solar Service Agreement**

---

**BACKGROUND:**

The Amphitheater Governing Board approved the selection of Natural Power and Energy as the District Solar Photovoltaic vendor on February 10, 2015. This authorized the system design and negotiation of a Solar Service Agreement (SSA) for the installation of solar photovoltaic systems at sites across the District.

This agenda item is prepared to permit the Board to approve the Solar Service Agreement terms and conditions as described in the attachment. Key points of the agreement are:

Price per Kwh will be \$0.101

Price locked for 25 years with no escalation

Solar to provide approximately 64% of District's electrical power (~9.4 Megawatts)

Savings estimated at ~ \$100,000 during first year of operation

Project life savings estimated at ~\$23 million

---

**RECOMMENDATION:**

The Administration recommends the Solar Service Agreement described in the attachments to this item be approved and that the Executive Manager of Operational Support be authorized to execute those documents and any others reasonably required to give effect to the agreement.

---

**INITIATED BY:**

James Burns, Executive Manager Operational Support

**Date: July 31, 2015**
