Re: Permission to purchase Class of 2030 Chromebooks

Board permission is requested to move forward with the purchase of 600 chromebooks for the Class of 2030.

The proposed model is the Asus Chromebook 11 CR1 through Bluum. This purchase will include both the Google Management License and hard shell protective case.

Other models/Vendors considered were :

Same model through CDW-G (State Purchasing Contract & Illinois Learning Technology Purchase Program): Priced \$86 more per unit
HP Fortis G1m (through CDW-G (State Purchasing Contract & Illinois Learning Technology Purchase Program): Priced \$48 more per unit
Acer Chromebook Spin 511 R753T (Through Illinois Learning Technology Purchase Program: Price \$86 more per unit

Total cost of the purchase will be approximately \$174,120.

4 Year Warranty and service contract will be purchased through Xerox IT separately.
