

AMS  
BOARD COMMUNICATION

**BAND**

AMS Band was scheduled to perform at Aubrey's community tree lighting, unfortunately due to the ice storm they were unable to perform. However they will be having their annual concerts. The 6th grade band will perform on Monday, December 16th at the high school. The 7th and 8th grade band will perform on Tuesday, December 17th at the middle school.

**6TH GRADE**

Mrs. Philipp's and Mrs. Schuessler's ELAR classes have completed their research on Ancient Egypt. Students are now busy reviewing for semester test.

**ARTS & CRAFTS EXTRAVAGANZA**

Our 3rd annual Arts & Crafts Extravaganza was a success despite having to reschedule due to the ice storm. We had between 35 and 40 vendors participate. We raised approximately \$1500 for the 7th Grade Austin & San Antonio Field trip.

**8th GRADE AG**

The 8th grade Ag classes are collecting sealed bottled water as their community service project. They are collecting water until Dec 20th. The chap team time class that collects the most will receive an ice cream party and the winning grade level will get to wear sweat pants or wind pants. The water will be donated to the Salvation Army out of Fort Worth.

**Book Club**

Mrs. Beauchamp took 6th grade boys & girls book club to see the Hunger Games Catching Fire movie on Saturday, Dec 14th. They have been reading the book. Reports say that the movie is really good.

**AMS**

All of our students are reviewing and preparing to take their semester test at the end of the week. They are all excited about finishing up the semester and enjoying their Christmas break.

**Fuzzy**

Many of you may not know that Santa sent a scout elf to AMS this year. Her name is Fuzzy. She is quite a character. We have asked our students to encourage her to be nice not naughty. She almost got a Saturday school. Fortunately, our students did a great job of setting a good example. She did not get a Saturday school.

*Fuzzy in Action*
