Grading/Assessment Systems

Grading and Promotion

The administration and professional staff shall establish a system of grading, develop procedures of reporting academic achievement to parents and students, and determine when the requirements for promotion and/or graduation have been met.

Every teacher shall maintain an evaluation record for each student in the teacher's classroom.

Changing of a Grade

The final grade assigned by the teacher cannot be changed by a District administrator without notifying the teacher. Reasons for changing a student's final grade **may** include:

- a miscalculation of test scores;
- a technical error in assigning a particular grade or score;
- ~~the teacher agrees that the student may do any extra work assignment and its evaluation impacts the grade;~~
- an inappropriate grading system used to determine the grade; or
- an inappropriate grade based on an appropriate grading system.

Administrators will not change the final grade assigned by the teacher without first notifying the teacher. Additionally, the Superintendent is charged with promulgating administrative rules to be followed when a request for a change in grade is made.

Should a grade change be made, the administrator making the change must sign the changed record.
