

ILLINI CENTRAL MIDDLE SCHOOL BOARD REPORT
December 2025

STUDENTS OF THE MONTH

NOVEMBER 2025 - Self-Discipline

8th Grade - Jaci Allen
7th Grade - Emmett Onken
6th Grade - Liam Boyd

CLASSROOM ACTIVITIES AT THE MIDDLE SCHOOL

Ms. Born's 6th grade World History class learned about Ancient Greece and how Greek warriors used teamwork in their famous battle formations.

Mrs. Miller has had her 8th grade FACS (Family & Consumer Science) classes involved in many projects, including making omelettes, turkey appetizers, and salt dough ornaments. **FACS is what most of us knew as Home Ec.*

Other activities at the Middle School (without pictures) that have engaged our students include showing how heat conduction works by making old records into bowls, making rockets in STEM, and creating Picasso pictures in Art, to name a few.

MIDDLE SCHOOL DOOR DECORATING CONTEST

Middle School Teams gathered during WIN for 3 days to design and decorate their team doors for the holidays. The theme was Merry Christmas/Happy Holidays/Winter Wonderland. The doors were judged by neutral parties with the criteria being how much was handmade (not purchased), creativity, and neatness. The winning team, Miss Born's Twisters, now has possession of the coveted "Golden Pawprint of Awesomeness" (the traveling trophy). This is a favorite activity for middle school students. Watching them work together and agree on designs and put forth so much effort as a team really is such a joy.

The Golden Pawprint of Awesomeness will stay with The Twisters until December 19th after the conclusion of the Elf Games. Will The Twisters be able to hold onto their title? Will it go back to Mr. Toland's team (who likes to have that notoriety), or will it pass on to someone else?

ICMS WEEK OF CHEER

In order to spice things up a bit and help students stay motivated the last week until break, we're having a Week of Cheer. The students will have dress-up days, daily raffle drawings during lunch using their PBIS Tickets, and will conclude with the Elf Games at the end of the day on Friday.

Coming Soon:

12/14 - 3:00 - HS MS Winter Festival Concert

12/18 - PBIS Trip to the Arlee

12/19 - Elf Games
