Board Salute

Don Infusino - Turner Elementary School

Submitted by: Megan Czach, parent

Don Infusino is one of the crossing guards at Turner. He mans the crossing at Ingalton. He has kept our families safe since last year. This year, he has taken on the unofficial role of directing traffic due to the new drop-off routine at Turner.

What could be a potential serious safety issue has been mitigated by Don stepping up and helping out. For caring so much about everyone's safety, I believe Don deserves a Board Salute.
