

UNITED INDEPENDENT SCHOOL DISTRICT AGENDA ACTION ITEM

Topic: Consideration for approval of RFQ 080-2011, Design/Build Services for Construction of New Science Labs for J.B. Alexander, Lyndon B. Johnson, and United South High School

Submitted by: Cordelia Jackson / Ignacio Alaniz **Of:** Purchasing Department / Construction Management
Department

Approved for transmittal to school board: January 26, 2012

Recommendation:

Administration brings for your approval Request for Qualifications (RFQ) 080-2011 “Design/Build Services for Construction of New Science Labs for J.B. Alexander (4 labs), Lyndon B. Johnson (3 labs), and United South High School (8 labs)” and recommends award to Leyendecker Construction, Inc. as the most qualified design-build team.

Rationale:

Staff has complied with all applicable federal, state and local purchasing policies and procedures in obtaining information for the item listed above. Staff is recommending the award based on the design/build team being the most qualified.

Budgetary Information:

The budget includes the funds for these purchases
