

School Safety Report 2021-2022

Below you will find a list of security measures that have been taken or will be taken on each BISD campus to increase the safety of our BISD students and personnel.

Brownwood High School

- Ten analog security cameras replaced
- One door access controller added to the campus

Brownwood Middle School

- Door access controls added

Brownwood Intermediate School

- Door access controls added

East Elementary

- Iron playground equipment removed due to student safety issues
- Security camera added to the front office area

Woodland Heights

- Nineteen security cameras installed
- Five door access controllers installed

Northwest Elementary

- Nonmagnetic security devices (Velcro micro dots) implemented on all doors with nonmagnetic strike plates. (ensures doors are locked during lockdown situations)

District-wide

- District School Safety Committee reviewed revisions to current Emergency Operations Plan. (EOP.)
- EOP revised to include Standard Response Protocol
- EOP revised to include involvement of Mental Health Department for student issues when appropriate.
- Safety meetings held with every campus Principal

- Continuation of the Raptor® visitor management school security system, which screens for sex offenders, alerts staff of custody violations, and provides everything schools need to screen persons during check-in.
- Continuation of the Watch DOGS program across the district, PK-6.
- The reunification plan was reviewed in September with the Brownwood Police Department and campus administrators.
- Creation of additional master keys to assist in the campus evacuation process after a campus has been secured during an incident. Master keys would be distributed to first responders and Joint Command Center.
- Transitioned to a new safety anonymous reporting platform “STOPit”. This system allows students, parents, or other individuals to report safety, misconduct, or compliance concerns.
