Re: Superintendent Informational Report

---

### SACEE Committee

The Superintendent's Advisory Council for Equitable Education (SACEE) met on May 5, 2025 to review the work of the sub-committees, which includes increasing awareness of what is occurring in our schools through student interviews, promoting the cultural calendar to recognize and celebrate the similarities and differences in our cultures, creating an ambassador program where families mentor new families to the district, and conducting an equity survey to find biased forms and increase accessibility for all. Each of the activities have begun, with the survey going out to families the week of May 26.

### Best Communities for Music Education 2025

Congratulations to our music team for earning the National Association Of Music Merchants' recognition as a "Best Communities for Education for 2025"! School districts must show a commitment to music education through multiple areas, including funding, teacher qualifications, standards for assessing music, student participation rates and more. Well done to our music educators and students!
