5830 - **STUDENT FUND-RAISING**

The Board of Education acknowledges that the solicitation of funds from students must be limited since compulsory attendance laws make the student a captive donor and may also disrupt the program of the schools.

For purposes of this policy "student fund-raising" shall include the solicitation and collection of money from students for any purpose and shall include the collection of money in exchange for tickets, papers, or any other goods or services for approved student activities.

The Board will permit student fund-raising by students in school, on school property, or at any school-sponsored event only when the profit therefrom is to be used for school purposes or for an activity connected with the schools. The Board requires that fundraisers by student clubs and organizations that involve the sale to students food items and/or beverage that will be consumed on campus, the food and/or beverages items to be sold comply with the current USDA Dietary Guidelines for Americans and the Smart Snack Rules. Each student organization shall be permitted two (2) fund-raising exceptions per school year where foods and beverages that are not allowable under the Smart Snack Rules can be sold. If approved, fundraisers that involve the sale, to students, of food items or beverages to be consumed on District property shall not compete directly with the sale of reimbursable meals. Each exempt fund-raiser cannot be longer than two (2) consecutive weeks.

Fund-raising by approved school organizations, those whose funds are managed by the District, may be permitted in school by the Principal.

Fund-raising off school grounds may be permitted by the Superintendent.

In accordance with Policy 2430, use of the name, logo, or any assets of the District, including but not limited to facilities, technology, or communication networks, is prohibited without the specific permission of the Superintendent.

Crowdfunding activities aimed at raising funds for a specific classroom or school activity, including extra-curricular activity, or to obtain supplemental resources (e.g., supplies or equipment) that are not required to provide a free, appropriate, public education to any students in the classroom may be permitted, but only with the specific approval of the Superintendent.

Fund-raising by students on behalf of school-related organizations whose funds are not managed by the District may be permitted on school grounds by approval from the Superintendent. If the fund-raising activity will involve students under-age twelve (12), such students' parents must provide written permission for the student to participate in the fund-raising activity. Any student under nine (9) years of age, or each group containing one (1) or more students under nine (9) years of age, must be physically accompanied by a parent or a person at least sixteen (16) years of age.

All other fund-raising shall be done in accordance with Board Policy 9700.
