STUDENTS STUDENT CLUBS AND ACTIVITIES

FEBRUARY 4, 2019

Student clubs and activities may cover a wide range of curricular and non-curricular interests and are administered to supplement the educational growth and social development of students.

'Clubs' refer to student groups with common interests and 'activities' refer to school events such as dances, blood drives, and activity nights. At the high school level, a Student Activities Director works with the school Principal to oversee all school clubs and school activities. Student clubs and activities must be approved by the school administration and must be sponsored by school-approved personnel. They are to be considered an integral part of the school program and are subject to all governing policies and administrative regulations of the District.

School club membership and school activity participation must provide equal access to all currently enrolled members of the student body including those enrolled as home-schooled students. Demeaning initiations and harassment of club members is strictly prohibited. Direct affiliation with an organization independent of the District requires prior approval of the Superintendent or his/her designee.

Student clubs and activities whose pronouncements or actions fail to meet acceptable standards or do not align with the mission and vision of the school and the District, may be denied or terminated of their association with the school and the District.
