

2020/2021 Browning High School Prom Proposal

COVID19 Prom Protocols-

- Under the terms of the Blackfeet Tribal and Browning School Board directives, the “sponsor” of an event is responsible for ensuring compliance with applicable requirements issued by the Blackfeet Tribe and Browning School Board and/or the local Health Department, including but not limited to the use of masks and the maintenance of appropriate physical social distancing throughout the entirety of the event. For purposes of athletic events and activities, the School District of the home event is deemed to be the sponsor of the activity and is therefore responsible for ensuring compliance with the requirements by all in attendance, including employees, student participants, and essential parents. The aim of this plan is to mitigate and manage the range of risks associated with school sports and activities, while acknowledging that there will likely be cases or possible exposures associated with these activities.
- All Participants at the event will be required to wear masks at all times including outdoors and indoors.
- All workers, officials, and students will be screened upon arrival for signs / symptoms of COVID-19 prior to participating. Any person with positive symptoms reported should not be allowed to participate, should self-isolate, and contact their primary care provider or other health-care professional. Screening tools will be provided along with daily logs from the Prom event set-up.
- Symptoms to watch for include but are not limited to: fever, cough and shortness of breath. (see screening tool).
