September 16, 2024**

1. Board Goal - Domain 4, Objective 1 - Alignment of Financial Well Being with Student Achievement

2. Background:

The Administration has been looking for grants to fund some major projects for our campuses - HVAC, roofs, electrical just to name a few of the needs.

3. Process:

The Administration is applying for a grant (Inflation Reduction Act Community Change Grants Program) through the US Environmental Protection Agency. To apply, the district must partner with a local non-profit. We asked the UCISD Moving Forward Foundation to partner with the District to apply for the grant. If awarded, not only will UCISD receive funds, but the MFF will also receive funds to use towards the new elementary school to help with energy efficiency and other items.

4. Fiscal Impact:

None
