Dear Mr. Hunter:

The Texas Association of School Business Officials is pleased to inform you that **Stephanie Maher** has successfully completed the requirements to earn the designation of Registered Texas School Business Administrator (RTSBA), effective 11/27/2012.

TASBO certification is earned through a combination of specified coursework, school business experience, and training in the area of specialization. Once certification is awarded, individuals are required to complete 60 hours of continuing education every three years (from the date of certification) in order to maintain their certification. We hope you will recognize Ms. Maher's achievement and inform the S&S Consolidated ISD board and staff of this noteworthy accomplishment.

Sincerely,

Gwen Santiago, CTSBA, CAE
