# **Annual Financial and Compliance Report**

Each year, a Charter School, Independent School District (ISD) or education service center (ESC) must take the following steps:

- 1. Prepare its annual financial statements.
- 2. Have its annual financial statements audited by a licensed independent certified public accountancy (CPA) firm.
- 3. Submit the resulting audited annual financial and compliance report (AFR) and additional data to the Texas Education Agency (TEA) for review.

### When is the AFR due to TEA?

An AFR is due by no later than 150 days after the close of a district's fiscal year. The following table shows the due dates for different fiscal year calendars.

If a district's fiscal year ends on	then the AFR is due to TEA on or before
August 31,	January 28.
June 30,	November 27.

- The Texas Education Code (TEC), §44.008 (https://statutes.capitol.texas.gov/Docs/ED/htm/ED.44.htm#44.008), does not provide for any extension when the date falls on a holiday or weekend. The AFR is also not required to be submitted earlier.
- A complete, board approved, and signed AFR in PDF and data feed text file must be received through the AUDIT application in the TEA Login (TEAL) secure
  environment to meet submission requirements.
- Emailing of the required AFR files does not meet submission requirements.
- The AUDIT application in TEAL is open 24 hours a day, seven days a week to accept electronic AFR submissions.

#### \*Anticipated change to November 27, 2025, Due Date\*

Due to delays in the release of the final 2025 Office of Management and Budget (OMB) Compliance Supplement and in the development of the new Audit 2.0 application in TEAL, the FY2025 annual financial report (AFR) due date for charter schools and school districts with a fiscal year-end date of June 30 will probably be later than November 27, 2025. The FY2025 AFR submission due date for these entities may be delayed until January. As January approaches, TEA will be revisiting the January due date if the final 2025 OMB Compliance Supplement has still not been released.

In addition, we anticipate that the new Audit 2.0 application will open with a soft launch in mid-December 2025 for a select number of schools. The Audit 2.0 application will then open for all the remaining schools and ESCs in January 2026. Beginning in late October or early November users should be able to apply for the new Audit 2.0 application in TEAL.

In mid-October, we will issue an official To the Administrator Addressed (TAA) (Attps://nam10.safelinks.protection.outlook.com/?url=https%3A%2F%2Ftea.texas.gov%2Fabout-tea%2Fnews-and-

multimedia%2Fcorrespondence&data=05%7C02%7CPaul.Moreno%40tea.texas.gov%7C408afd65fd7d4e5879da08de027faa1f%7C65d6b3c3723648189613248dbd713a notification concerning the FY2025 AFR submission due date and when the Audit 2.0 training will begin.

## **Listing of External Audit Firms**

We have provided a listing of independent audit firms that have performed audits of charter schools and school districts in Texas for the most recent audit year. The firms are listed by the name under which the audit was performed and the number of audits performed in each ESC region. Please refer to the Texas State Board of Public Accountancy website at https://www.tsbpa.texas.gov/php/fpl/frmlookup.php [2] (https://www.tsbpa.texas.gov/php/fpl/frmlookup.php) for contact information, name changes, and the license status of each firm.
