VOLUME LXII

FOR ACTION

SUBJECT: Belding Area Schools IXL Renewal

Background and Findings:

Belding Area Schools is seeking a one-year renewal for the IXL Learning site license. The current license expires in the summer of 2025. This will continue to provide online licenses for the students who are going to utilize the program during the school day, as well as at home.

Recommendation:

It is recommended that the Board approve this request for the purchase of a one-year renewal of the IXL Learning site license for all buildings in the Belding Area Schools district.
