**Overall Rating**

**94 out of 100**

This measures how much students are learning in each grade and whether or not they are ready for the next grade. It also shows how well a school or district prepares their students for success after high school in college, the workforce, or the military.

Wylie ISD earned an overall “A” Rating under the A-F accountability system in 2021-2022. We have 6 campuses that administer STAAR assessments. 5

received and “A” Rating and 1 received a “B” rating. Wylie ISD students perform above the state and regional averages in all grade levels and content areas. Most student groups are consistently falling into the category of “Approaches Grade Level” in all subject areas. “Approaches Grade Level” equates to the passing of the state assessment. “Approaches Grade Level” indicates that the student is likely to succeed at the next grade level with targeted academic intervention. The district is pleased with this level of student performance. Wylie ISD recognizes that there is a need for improvement at the “Meets Grade Level” category. “Meets Grade Level” indicates that the student has a high likelihood of success at the next grade level with short-term, targeted intervention.

Wylie I.S.D. uses a number of methods to disaggregate and analyze data. Campuses use benchmarks to conduct progress monitoring for struggling students. The District also uses DMAC to analyze campus benchmark assessments. We have also disaggregated preliminary STAAR/EOC results to determine strengths and weaknesses.

Wylie ISD has added two new positions in the Curriculum Dept. to help address both teacher and student needs.

- Curriculum Coordinator
- Technology Integration

It is also necessary to adjust the type of instruction provided to our special education and Title 1 students to make sure they are successful at a higher cognitive level. All grade levels are implementing programs and activities to improve STAAR and EOC score for all Special Education students. Programs have been implemented to improve Reading for Title 1 students in grades PK-2. We are using Edgenuity for accelerated instruction at the secondary campuses.

**Student Achievement Strengths**

- A-F Accountability
- Using TEKS Resource System as our curriculum to improve instruction
  - Common Assessments      - Common Vocabulary      - Instructional Focus Document (Drill down the TEKS)
  - Vertical Alignment      - Year at a Glance (Scope and Sequence)
- Multiple student awards and honors
- Community involvement
- Student Leadership
  - Family, Career, and Community Leaders of America (FCCLA) student club was established in 2022-2023.
- Above the state average in:
  - STAAR Assessments      AP Scores
  - Graduation Rate      SAT Scores
  - Dual Credit Participation      ACT Scores

Wylie ISD identifies the importance of a well-rounded education. Our students have shown great success in the following:

- |                 |              |          |                            |
|-----------------|--------------|----------|----------------------------|
| UIL Academics   | FFA/Ag       | Art      | Poetry                     |
| Athletics       | One Act Play | Choir    | CX Debate                  |
| Congress Debate | Band         | Robotics | Informative Extemporaneous |

**Student Achievement Needs**

Wylie ISD will use data to address identified needs in both regular and special education student achievement.

- All campuses have RTI/MTSS process in place to monitor and develop interventions as needed. Setting a Goal in 2022-2023 School year that all campuses are consistent in documentation and implementation of MTSS (RTI)
- All campuses will use incremental testing to identify student weakness and will provide early intervention to address those needs. Students will be directed to tutorials as well as in-school intervention assistance
- Continue to show one-year growth in Reading and Math across all grade levels
- Continue to provide professional development opportunities aimed at increasing student achievement  
Survey teachers to determine what training they most need  
Offered each training twice in the summer of 2022 to make sure all staff had the opportunity to attend Professional Development
- Continue to provide professional development opportunities for ESL teachers
- Continue to provide professional development opportunities for Learning Management Systems
- Wylie ISD identified a need to add more CTE courses.  
Several new CTE courses have been added in the last three years.

Wylie ISD will implement a plan for Accelerated Instruction for all students that failed the 2022 STAAR and End of Course Assessments.

Continued Progress Monitoring intervention for all Students:

Star Reading Screener	I-Ready	RTI/MTSS Referrals
mClass Reading Screener - Ongoing skill assessment	LexiaCore5 - Grade reports	Teacher Input
Continued Progress Monitoring	Read 180	
Provide accelerated instruction as required by HB4545	Provided the opportunity for credit recovery through Edgenuity

# School Culture and Climate

## School Culture and Climate Summary

Each campus in Wylie I.S.D. has developed a plan for Positive Behavioral Support that addresses the needs of that campus.

The elementary and intermediate campuses focus on the development of strong character traits and decision-making. Students are taught that each choice they make, good or bad, comes with a positive or negative consequence.

At the secondary campuses, the plan focuses on behavioral expectations in order to provide maximum learning opportunities in the classroom setting. Secondary campuses have a high level of participation in co-curricular and extra-curricular activities. Many students participate in multiple activities.

Student safety is a high priority and efforts are taken each day to ensure safety.

## School Culture and Climate Strengths

Wylie I.S.D. staff members develop ownership and commitment to the students and campus goals.

Programs that promote these goals

- Character Counts and the Bulldog Bridge programs
- Watch D.O.G.S (Dads of Great Students) program which involves father figures to help create a safe and secure learning environment (elementary)
- Student Council Leadership Program
- Community, parents, and staff have high expectations for student achievement in all areas
- High level of parent and community involvement
- Mentoring Minds program (High School)
- Programs related to internet safety and bullying
- “Bark Friday” Catching students Being respectful, Acting responsible, Reaching their goals and Keeping it kind
- “Acts of Kindness” club has been established at our East Elementary campus.

Wylie ISD employees a fulltime Director of Communications to ensure there is a high level of communication with community, parents, and families

Wylie ISD employees an Assistant Superintendent that serves as the Title IX Coordinator as required by House Bill 3.

Maintaining a safe and secure learning environment remains of paramount importance to the Wylie ISD and has been demonstrated by:

- Investment in the Marshal Program.
- Controlled entries established at each campus.
- Safety Drills

Campuses completed the following drills in 2020-2021.

1. Evacuation (fire) Drill
2. Lockdown
2. Severe Weather
4. Shelter in Place

Actively enforce safety guidelines to help mitigate the spread of COVID 19.

### **School Culture and Climate Needs**

- Each campus must ensure that systems are in place to provide consistent enforcement of campus and district expectations
- Students are unable to reach maximum performance unless there is an environment that is conducive to success
- Continue to implement procedures for various safety/emergency situations

New Safety Measures are being implemented in the 2022 School year.

- Safe and Supportive Schools teams are established and meet once per month to address students in need.
- Crisis Go App is used as an alert system for disaster response.
- Card Readers are being installed on all exterior doors of the Westside campuses.
- Fences were installed at campuses for safety measures.
- Weekly door sweep audits will be administered for safety measures.
- Single access points are established for all visitors for safety measures.
- Protect (Distress System) was installed for safety measures.
- Implemented Campus Safety Training for substitute teachers.
- Additional Security Personnel added.

# **Staff Quality, Recruitment, and Retention**

## **Staff Quality, Recruitment, and Retention Summary**

Wylie I.S.D. maintains a 100% Highly Qualified staff at all times. Wylie ISD currently has 716 staff members with 396 of those being classroom teachers and 150 instructional aides. At the end of 2021-2022, Wylie ISD had 5 teachers retire and 49 leave the district. One teacher who became a retire/rehire employee.

New employees are involved in an induction program consisting of New Teacher Orientation, Texas Teacher Evaluation System (T-TESS), and TEKS Resource System trainings. Based on the new employee's assignment, staff members are required to receive training in Crisis Prevention Intervention (CPI), CPR, ESL, or GT. New teachers are assigned a mentor teacher.

Staff members are recognized annually for years of service (increments of five years) to the district at the district's closing ceremony. In addition, staff members from each campus are nominated and selected by their peers to receive the "Teacher of the Year" award.

## **Staff Quality, Recruitment, and Retention Strengths**

Wylie ISD provides a strong professional development program for employees. Instructional staff members have access to online as well as face-to-face sessions over topics that are targeted to their interests and instructional assignment. Staff members choose summer sessions to attend that address their professional goals and can then be used for comp time during the school year. All professional development sessions are approved by the campus principal to monitor training. Staff members can also enter professional development sessions they attend on their own through Region 14 Pit Stop. Campus administrators provide for the implementation and supervision of campus mentoring programs for all new staff. Instructional specialists and coaches are also provided to assist with planning, curriculum development, and instructional presentation.

## **Staff Quality, Recruitment, and Retention Needs**

- An increase in retention is an area of need. An increase in staff stability along with targeted professional development is the key to improving student achievement. Providing a high level of support and intervention for the instructional staff will improve the quality of student engagement and instruction as well as produce a positive school climate.
- There is a need to recruit good professional substitutes that will provide quality instruction
- Increase in diversity of staff

Wylie ISD hosted their 2<sup>nd</sup> annual Wylie Job Fair in the spring of 2022. The event was a huge success, and many highly qualified teachers were hired.

Wylie ISD implemented a plan of using our social media platforms for the recruitment of teachers, aides, nurses, and auxiliary staff to help fill vacant positions.

## **Curriculum, Instruction, and Assessment**

**Curriculum, Instruction, and Assessment Summary**

Wylie ISD uses TEKS Resource System as our curriculum for grades K-12. TEKS Resource System is aligned with the Texas Essential Knowledge and Skills (TEKS). Each campus develops a timeline for assessing student performance periodically throughout the school year and the data from those assessments are used to direct instructional focus. Wylie I.S.D. has a variety of assessment tools available to provide data for diagnosis including the Star Reading Assessments, mClass, and GT screening. Students are placed in the intervention model that is least restrictive but will provide the most productive acceleration of learning. Professional development in differentiating instruction has been provided to all staff members and use of this practice is monitored throughout the district. Identification and targeted intervention at the individual student level is a priority at all campuses. Wylie ISD has contracted with Region XIV for curriculum consultation.

**Curriculum, Instruction, and Assessment Strengths**

Teachers work collaboratively to develop and implement instructional objectives. Students who are unsuccessful are identified early and provided targeted intervention opportunities. The district uses DMAC (Data and Management Software for Assessment and Curriculum) to disaggregate the data. That data is used by classroom teachers, specialists, and administrators to address the needs of individual students. Wylie Junior High campuses have double blocked classes in Reading to provide additional sustained instructional time. All tested campuses provide accelerated instruction opportunities during summer school, during tutorials, and intervention periods to provide support for struggling students.

- District employees one fulltime Gifted and Talented (GT) Coordinator and one part-time (GT) Assistant Coordinator to support our Gifted and Talented Program.
- The number of Career Technology Education course offerings and pathways has continued to increase in response to student interest.
- CTE continues to refresh and revise their programs to meet the needs of its students and community.
- Career & Technical Education courses that have been added during the last two school years:

Certified Nursing Assistant program	Advanced Floral Design	Electrical Technology I
Certified Veterinarian Assistant program	Fashion Design II	Practicum of Audio/Video Production

Principles of Construction	Practicum of Graphic Design and Illustration	Practicum of Entrepreneurship
----------------------------	--	-------------------------------

### **Curriculum, Instruction, and Assessment Needs**

- Continue to evaluate our intervention systems
- Continue to refine our district RTI/MTSS process
- Continued training in differentiation is needed to strengthen staff, especially the new teachers
- Frequent walk-through observations in all classes by administrators will identify continued areas of need
- Serve GT students at the secondary level by offering STEM based courses
- Identify and serve Kindergarten students through pull-out classes by our GT coordinator
- Continue to host District GT Advisory Committee meetings to determine how to best serve our students

## Family and Community Involvement

### Family and Community Involvement Summary

Parent and community involvement is a vital factor to the success of Wylie ISD. There are numerous opportunities to become active participants:

Campus Educational Council	Field Trips	Career Day
PTO	Parent Information Nights	Project Graduation
Wylie Bulldog Education Foundation	Book fairs	Safety and Security Committee
Watch D.O.G.S.	Open House	Family Nights
TOTS Program	Booster Clubs	Parent of the Month
Kindergarten Roundup	Veteran's Day Program	

Wylie ISD has numerous opportunities for parents to be involved in all aspects of the educational process. Each campus has a Campus Advisory Committee which includes parents, community members, and business members. Announcements of openings for campus committee positions are posted in the newspaper and on the district website each year. Wylie PTO has representatives on each campus and monthly meetings to solicit parental involvement. The district website is maintained to provide current information on events and announcements important to parents and community members. The use of Blackboard as an information delivery system to send out important information through emails and texts is a valuable tool to keep parents informed. Student grades and attendance information is available through a parent portal that can be accessed online.

### Family and Community Involvement Strengths

- Parents actively involved in their child's education
- Parent participation on committees
- Community business partners actively support the mission of the district
- Extra-curricular programs in which parents and employees work together to enhance student involvement

Each campus has a series of events each year to provide parents and community members an opportunity to see first-hand what is happening on each campus. Open houses, family nights, parent-teacher conferences, program meetings, holiday programs, and culminating presentations are just a few of the ways Wylie ISD campuses reach out to community and parents. Wylie West Elementary, East Elementary, and Early Childhood hold Title 1 parent nights twice a year.

## **Family and Community Involvement Needs**

- Continue to emphasize parental involvement
- Continue to solicit input and feedback on committees and survey

# School Context and Organization

## School Context and Organization Summary

Wylie ISD receives state, local and federal funding including Title I, II-A, III, IV, Carl Perkins, Carl Perkins V, Cares ESSER, IDEA-B. Wylie ISD received the state's highest financial integrity rating.

The district serves students from the Pre-school Program for Children with Disabilities (PPCD) through 12th grade. WISD staff includes teachers, professional support, educational aides, campus administration, central administrative staff, and auxiliary staff.

The District Advisory Committee and the Campus Advisory Committees meet during the year to review for planning and decision making; these committees are comprised of staff, parents, business, and community members.

District and campus information is disseminated through multiple sources such as the WISD website, Blackboard, and social media. The online Family Access system is available for parents to view grades, assignments, and attendance.

## School Context and Organization Strengths

- Involved parents and a community that supports the district and individual campuses
- Communication with parents and community via varied sources
- Superior rating in the Financial Integrity Rating System of Texas since inception of the rating system.

## School Context and Organization Needs

- Continue efforts to increase communication from the classroom to home in ways that assist parents in supporting a student's learning
- Campus staff understands good instructional practices and intervention techniques, although many still need practice and support in the implementation of those practices

# Technology

## **Technology Summary**

The Technology Department collaborates with Curriculum and Instruction to provide sound operational and instructional systems in order to support the academic development of all children. Our continual goal is to increase and upgrade the district's technology infrastructure, equipment, and instruction to increase student achievement for each campus and department.

## **Technology Strengths**

- Every classroom in Wylie I.S.D. has access to internet and all campuses have interactive whiteboards
- Wireless access points district-wide provide coverage for portable devices
- Google classroom is used as a Learning Management Systems and is available for teachers and students
- District technology support provides services to ensure equipment is working properly so teachers can integrate technology into daily teaching practices.
- One area of technology focus has been in the special education environments to provide students access to the full range of curriculum
- Classrooms are provided with iPads (1725), laptops (215), and Chromebooks (1750) at all campuses

## **Technology Needs**

- Strengthen new teacher training for available technology/programs
- Continue purchasing Chromebooks to match our student growth
- Provide training to staff and students to prepare for online testing in 2022-2023
- Administrators need to continue to identify areas of need and provide opportunities for professional development to address those needs
- The availability of on-demand technology help is needed to allow teachers to get assistance as they need it to maximize instructional use
- Reluctant staff members need to be supported and encouraged to continuously find ways to incorporate technology into the instructional program in their classrooms

## Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

- District goals
- Campus goals
- TAPR data
- RDA data
- Professional learning community discussions
- District and Campus Advisory committee meetings
- Local benchmark or common assessments results
- Number of students assigned to special programs and their academic achievement
- Drop-out rates

## Title I Part A LEA Program Plan

The goals, objectives, and activities provided in this document cross-reference the 2022-23 Wylie ISD District Improvement Plan.

### Description 1:

How the LEA will monitor students' progress in meeting the challenging State Academic standards.

1. Developing and implementing a well-rounded program of instruction to meet the academic needs of all students;
  2. Identify students who may be at risk for academic failure;
  3. Providing additional educational assistance to individual students the LEA or school determines need help in meeting the challenging State Academic programs and improve school conditions for student learning.
- The students are monitored through mCLASS analysis 3 times per year.
  - Parent and teacher input is used to monitor student progress.
  - Daily monitoring of skills and reading during class (is there a transfer of skills).
  - Progress is monitored through leveled text tests for need of more intense instruction, movement between groups, or exit of the student.
  - The computer program Lexia Core 5 is also used to monitor progress.

Goal 1 Objective 2

Activities 465, 553

### Description 2:

How the LEA will identify and address any disparities that result in low-income students and minority students being taught at higher rates than other students by ineffective, inexperienced, or out-of-field teachers.

- Wylie recruits and maintains appropriately certified teachers in all subjects. Teachers have ample opportunities for Professional Development and are appraised on a regular basis.
- Administrators evaluate classroom instruction to ensure that the needs of all our students are met.

**Goal 1 Objective 2**

**Activities 218, 244, 306, 307**

**Description 3:**

**How the LEA will carry out its School Support and Improvement activities responsibilities.**

- Wylie ISD has no campuses identified as being in School Improvement; however, there are strategies and activities in place to ensure that improvement takes place.
- School support and improvement activities are distributed to many individuals working as a team throughout the school.
- Our campus improvement plan includes the individual responsibilities of personnel needed to implement the action step of each goal.
- Classroom walks, documentation of progress toward improvement of school support, and activities is ongoing.

**Goal 1 Objective 2**

**Activities 184, 301**

**Description 4:**

**The poverty criteria that will be used to select the school attendance area.**

- Wylie ISD operates only Title I Targeted Assistance campuses. Poverty is not a criteria related to identifying students to be served with Title I, Part A funds.
- Wylie ISD has only one High School and our K-8 Campuses have a natural border with similar socio-economic status on the east and the west side of the district.

**Goal 1 Objective 2**

**Activities - In Progress**

**Description 5:**

**The nature of the programs to be conducted under Schoolwide and Targeted assistance programs and, where appropriate, educational services outside such schools for children living in local institutions for neglected or delinquent children, and for neglected and delinquent children in community day school programs.**

- Students living in institutions for neglected or delinquent children are screened and tested for gaps and interventions put in place to address their specific needs.

- **Transportation is provided to insure regular attendance.**
- **Review and implement accountability measures regularly to evaluate the performance of these students.**
- **Provide testing and screenings if needed to offer special education services.**
- **Reading Interventions are provided that consist of Lexia Core 5 and I-Ready**

**Goal 1 Objective 2**

**Activities 465, 553**

**Description 6:**

**The services the LEA will provide homeless children and youth to support enrollment, attendance, and success of homeless children and youth in coordination with the services the LEA is providing under the McKinney- Vento Homeless Assistance Act.**

- **Fortunately, Wylie ISD has not had any homeless students at Title I, Part Targeted Assistance campuses. If we have any in the future, we will provide transportation for the students to and from school regardless of their location, and provide the same equal education provided to all students. We would provide interventions if they are struggling academically.**

**Goal 1 Objective 2**

**Activities 45, 55, 56, 57**

**Description 7:**

**The strategy the LEA will use to implement effective parent and family engagement.**

- **Parent Meetings are held in the first six weeks of school to inform parents about the Title I program.**
- **Parents are encouraged to be involved in the decision-making process through district and campus advisory committees.**

**Goal 1 Objective 2**

**Activities 219, 246**

- **Parent family engagement activities include parent conferences, meetings, music programs, invitation to field trips, assemblies, holiday events, and scheduled events throughout the year.**
- **Second grade parents are asked to read nightly with on level text Monday through Wednesday.**
- **Parents are encouraged through written information to participate in literacy activities around Abilene such as: NCCIL, CALF, Storybook Garden, Storybook Sculpture Hunt and the NCCIL blank canvas subscription.**
- **Parents are invited to attend Open House, end of the year meetings to explain mCLASS scores.**
- **Provide the Parent and Family Engagement Policy to parents of students participating in the Title 1 program.**

**Goal 1 Objective 2**

**Activity 219**

**Description 8:**

**If applicable, how the LEA will support, coordinate, and integrate services provided with Title I, Part A, with early childhood education programs at the LEA or individual school level, including plans for the transition of participants in such programs to local elementary school programs.**

- **We offer Title 1 services for Kindergarten students using Lexia and the Reading By Design curriculum.**
- **They are referred and assessed using Title 1 criteria.**
- **Part of the transition program is reporting kindergarten student participation in Title 1 and continued services if qualified.**
- **Pre - K students are screened and results are reported to PEIMS through ECDS to check for Kindergarten readiness.**

**Goal 1 Objective 2**

**Activities 62, 465, 553**

**Description 9:**

**How teachers and school leaders, in consultation with parents, administrators, paraprofessionals, and specialized instructional support personnel, in schools operating a targeted assistance program under 1115, will identify the eligible children most in need of services under Title 1.**

- **Students are identified through mCLASS results of Below or Well Below standards.**
- **Summer school information and progress**
- **Level Test Reading**
- **Recommendation for continued Title 1 services from the prior year's information or teacher recommendation from the classroom teacher.**

**Goal 1 Objective 2**

**Activities 217, 553**

**Description 10:**

**How the LEA will implement strategies to facilitate effective transition for students from Middle School to Post-Secondary Education.**

- **Not Applicable, we only have targeted assistance campuses at the elementary level.**

**Description 11:**

**How the LEA will support efforts to reduce the overuse of discipline practice that remove students from the classroom, which may include identifying and supporting schools with high rates of discipline, disaggregated by each of the subgroups of students.**

- The principals and assistant principals are assigned the responsibility of ensuring that students are present in class and not removed unless it is recommended in district policy.
- The campus principals review disaggregated discipline data to identify and address any disproportionate high rates of discipline of any subgroups.
- Campuses use discipline with a focus on the goal of reducing the removal of students from the classroom. This is done through the following: family engagement, positive behavioral supports, behavioral intervention, social and emotional support through counseling.
- Classrooms challenge students and enrich the curriculum to avoid discipline issues and encourage engagement. Support is offered for understanding content if needed.
- Restraint of any student is prohibited unless it is absolutely necessary and CPI guidelines must be followed.

### **District Policy on Sexual Harassment and Dating Violence**

As required by state law, the district has adopted policy regarding sexual harassment and dating violence, and this policy is included in the DIP. Specifically, district policies FFH(Local) and FFH(Exhibit) address sexual harassment and dating violence under the broader category of Student Welfare.

The preamble to district policy FFH(Local) states:

*“The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, sexual orientation, national origin, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.”*

### **State Compensatory Education Statement**

State compensatory education funds were authorized by the legislature to provide financial support for programs and/or services designed by school districts to increase the achievement of students at risk of dropping out of school. State law, SECTION 29.081, Texas Education Code, requires districts to use student performance data from the state legislatively-mandated assessment instrument known as the Texas Assessment of Knowledge and Skills(TAKS) tests and any other achievement tests administered under Subchapter B, Chapter 39, of the Texas Education Code, including norm-referenced tests approved by the State Board of Education to provide accelerated intensive instruction to students who have not performed satisfactorily or who are at risk of dropping out of school. These funds are used only to meet the costs of providing a supplemental compensatory, intensive, or accelerated instruction program. Criteria for identification of students at risk of dropping out of school is defined under Section 29.081 of the Texas Education code.
