Principals Report-Mrs. Bird & Ms. Racine

May was a very busy and fun month for Napi Elementary! We started with benchmark testing for ISIP and Star from May 6th thru the 17th. We had early out on May 16th for staff to participate in the District Clean-Up project. Unfortunately, the weather didn't agree so staff cleaned and decluttered the building. On May 20th, we had a field day that allowed all students and staff to participate in physical activities on the football field. The morning of May 20th, we also had a guest speaker "Wynn Wells" come talk to the students about self-motivation and applying yourself to meet your goals. Napi had their Beach Day on the football field, which was a great success. Our 6th grade students had their incentive field trip in which they went to Many Glaciers on May 21st. On May 22nd Principals had staff appreciation in which we had a catered BBQ and bid fellow staff members farewell. May 28th Napi hosted 4th and 5th grade awards for 4th quarter and year end awards. May 29th Napi hosted 6th grade awards for the 4th quarter and year end awards. On May 30th, we had our 6th grade celebration.
