News from Mr. Valenzuela

LOST & FOUND is out of control!

We have had one of the strangest winters in a long time in terms of our mild weather. Our warmer afternoon temperatures have caused our students to take their coats off during playtime on the playground. These coats, jackets, sweaters and backpacks are cleaned up and taken to the gym after our last lunch each day. That pile of clothes in the gym has grown larger than we can accommodate! If your child is missing something, please encourage them to visit our lost and found to take their lost items home.

Parents are also welcome to come down and search for missing articles of clothing. Our lost and found is cycled out of the building at certain times of the year.

Our next clean-out will be spring break.

Congratulations to our Evergreen Eagles at the TRSD Science Fair!

Thanks to Mr. Nelson and Ms. Kelly for helping Evergreen put together and submit so many awesome science fair projects. We had a lot more projects this year than in the past few years, it was great to see how much work was put into them. The following students made it to our district level science fair: Danielle Barker, Brittney Burns, Olyvia Neal, Cole Hanni, Odis Kitchens, Annika Paulson and Bella Shackelford. Lilly Pyle earned a gold medal and 3rd place finish with her warm water project. Sierra Ferry earned a gold medal and 2nd place finish with her What things in nature make the best dyes project. Congratulations to all the Evergreen students who stuck with it and finished a project this year!

Ryan	Aubrey Sadler
Wolter	Caleb Hess

Junior Savings and Educational Trust

Junior Savings and Educational Trust cofounder, Patricia Lesiecki recently passed on. A request she made before passing was to keep Junior Savings going. We would appreciate your help in honoring Patricia's request by having as many students as possible sign up for the Junior Savings Program by opening their own savings account. For more information you can find a Junior Savings and Educational Trust representative in Evergreen's cafeteria between 11:00am and 12:00pm every Wednesday. You may also contact the program director Peggy J. Housel at 541-592-2989 with any questions.

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
