Re: Food Services Point of Sale (POS) System

We would like an opportunity to share with the Board of Education information on the Food Services Department moving to the Horizon One Source Program, Solana Professional for Point of Sale. Please add this request to the agenda of the Monday, April 10, 2017, Committee of the Whole Meeting.

The Horizon One Source program offers a web-based option called Solana Professional. The annual system cost is \$19,685.00 with an initial training cost of \$3,794.75.

Funds for this purchase would be from the Lunch Fund.

Please include this item on the agenda.
