Statement of Interest in GED Program

February 2012

Dear Community of Parents/Guardians of School District 89:

District 89 Board of Education is following up on your recommendation of bringing a GED program (General Education Development) for parents. The GED program is designed for individuals who have not had the opportunity to earn a high school diploma by offering eight-week classes in preparation for the GED exam. Classes include studies in language arts, mathematics, social studies and science.

District 89, in partnership with Triton College, would like to explore the idea of such program for our parents. In an effort to establish the interest of the community and better meet your needs, we would like to conduct a survey that will inform us of how many participants we would have in the program. If you are interested, we would like you to complete the form below and submit it to Susan Montgomery by Wednesday, February 29, 2012. This program is at no cost to you.

This is our way to assist you in reaching your goal and allowing you to get involved in your child's education.

Thank you for your cooperation.

Maywood, Melrose Park, Broadview School District 89

PLEASE COMPLETE THE FORM BELOW AND RETURN TO YOUR CHILD'S TEACHER ON OR BEFORE WEDNESDAY, FEBRUARY 29, 2012
