## ELEMENTARY SCHOOL

### Welcome to the 2025-2026 School Year!

I am excited to continue my third year as Principal of Currier! Please read my welcome back letter linked [HERE!](#) I look forward to partnering with you to support your child's growth and development. I believe strongly in an open-door policy. Please do not hesitate to reach out to me or my assistant principal at any time with questions, feedback, or concerns. We would be happy to chat over the phone or schedule an in-person meeting to hear your thoughts. Each Monday evening I will send a weekly parent update. In this communication, you will find upcoming events and important information. Once a month, I will send a more detailed newsletter which will include updates from each grade level. I look forward to seeing all the little smiling faces on the first day of school!
