### March Staff Attendance

Certified: 87%      Classified: 81%

### Staff Perfect Attendance

Mariliza Woodward    Lauren Monroe    Juliana Salois,  
 Lousie Geibel        Sheila Grady    Angela Tatsey-McKay

### Prime Time Parking:

Bergen = Mariliza Woodward    Chattin = Sheila Grady

### Coffee Card:

Lauren Monroe    Juliana Salois    Lousie Geibel    Angela Tatsey-McKay

## Culture Matters

*(Britney Shooter: Leader)*

Our classes have been invited to pray and sing for Lily Gladstone. Our students have been working hard on learning a song to sing for Lily at her honoring event. They have also been working on doing unique introductions. We are honored to have been asked to be a part of this amazing opportunity. We were able to buy fabric so that our students can all match during this event. We are thankful for our families in our class on getting their skirts made and prepared for this event.

*(Mrs. J. Vielle: BNAS)*

My focus for this month was reviewing our blackfeet terms for the month, also we had a lesson on traditional clothes. We discussed why we wear ribbon shirts, dresses, etc. We talked about what they were made of traditionally and what they are made of now. The students created their own out of paper using crayons, sequins, and ribbon to decorate. They enjoyed learning and creating.

## Graduation Matters

*(Marci Burd: First Grade Leader)*

This was a busy busy month for first grade students and staff. We started out the month celebrating Dr. Suess week. We had a lot of fun dress up days, activities, and rotations that our first graders really enjoyed and looked forward to. We had a lot of participation and happy little kids.

We had our monthly family engagement event which was Lucky Charms math. We had a lot of families show up. It is always good to see the huge turn out all the time. Every classroom made their very own Leprechaun trap which really encouraged our kids to be super creative with their ideas. It was so entertaining to see all their cool creative ideas. The no good sneaky Leprechaun made his appearance in our school once again and left a HUGE mess with some treats for each child. They were all happy and excited but upset that nobody caught him, once again.

We are wrapping up the month and the kids participated in the 80% or better attendance incentive which was the jumpy house. Kids really look forward to this day and it makes them try hard to be here.

Today 3/22 our students got a special visit from the Easter Bunny. They were so surprised and excited. They also received an Easter book of their own to add to their own personal libraries. This last week has been busy with all the testing and I think we are all looking forward to a nice break.

*(Angie Pepion: Kindergarten Leader)*

March was a busy month for our kindergartners and teachers. We celebrated Dr. Seuss week with dress up and different activities in each classroom. De La Salle students come to read in our classroom. We had Family Fun Friday. Families got to come enjoy doing some Lucky Charm math with their child/children.

Our fundraiser we brought back the Spaghetti Dinner and Silent Auction.

*(Susie Small: Early-K Leader)*

We started off March with Dr. Seuss week here at Bullshoe elementary, and celebrated all week with great book activities. The next week we jumped into St. Patrick's Day activities and a Family Fun Friday with Lucky Charms and math. The last week of March we started our Easter activities with a special visit from the Bunny on Friday.

In math we are wrapping up our module 3, which is counting up to 10 objects and recognizing numerals 1-10.

In literacy we ended our Jungle unit, and are finishing our second cycle of the alphabet. In the midst of all this we are also finishing assessing students for the third quarter! It's been a fun busy month in Early K and we are looking forward to a restful Spring Break, and hope you all have a good holiday with your families as well.

*(Melody Cobell: Paraprofessional Leader)*

The paras are essentially exhibiting a positive outlook on the latest challenges we are experiencing. Which may include the weather(of course), holidays, testing, small groups and spring behaviors.

We are a committed bunch. Always on the go and willing to fill any gap as need be.

*(Angela Archeleta: Specialist Leader)*

(Music/Art)

We have amazing artists in our school. The KW art wall is by the library and the Vina art is in the music room. Hope you get an opportunity to see the beautiful artwork. In music our students continue to sing, dance and play with cups, drums and bells. First grade is now working with recorders.

(Library/Media)

Stamiksiitsiikin (Bullshoe) Elementary Chattin & Bergan Branch Libraries are continuing to wrap-up I Love to Read Events. The winners of Reaching for the Stars Bookmark Contest were just determined. Student and prize pictures will follow after spring break but here are our amazing artworks.

*EK 1st Place Pashylnn Sinclair*

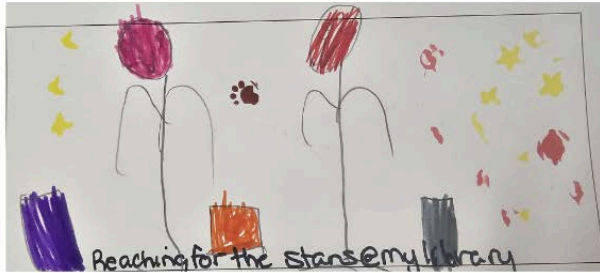

*EK 2nd Place Camari Yellowhair*

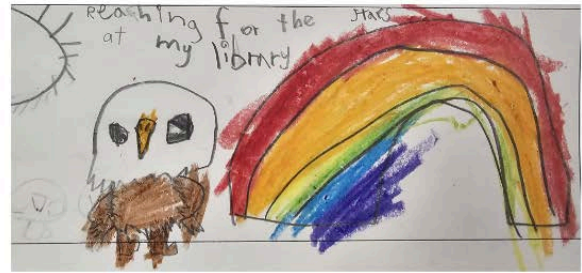

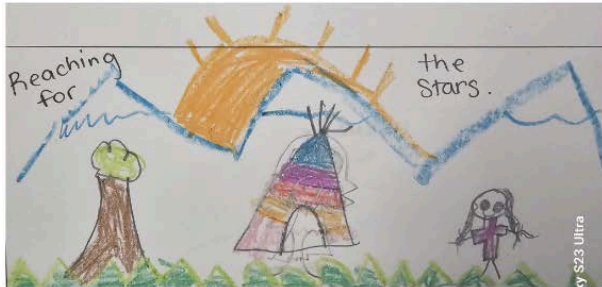

EK 3rd Place Huntleigh Kittson

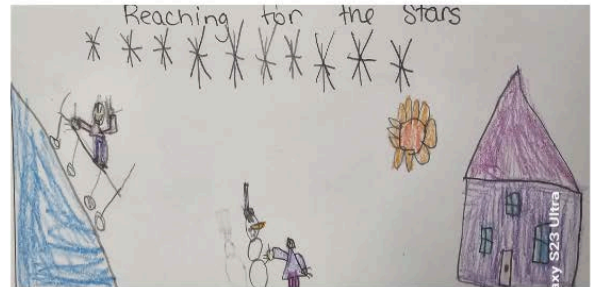

K 1st Place Edith Spotted Eagle

K 2nd Place Carson Big Beaver

K 3rd Place Nevaeh Gudino
