STUDENT PLACEMENT INFORMATION FOR PARENTS

Student placement will be based on Nehalem Elementary staff recommendations derived from our cumulative knowledge of a student's individual learning needs, personal characteristics and our desire to have balanced classrooms. We hope families will trust our professional judgment regarding their student's placement and not try to make requests. Final decision will be made by the building principal based on all of the factors. Due to uncertain summer time enrollment, final class lists will be posted on Friday, 8/30/2019

LUNCH ACCOUNTS

In preparation for the end of the school year, **Friday, May 10 2019** was the last day students were allowed to charge lunch. Students **MUST** have funds in there accounts. Please be looking in your student's backpack for any PAST DUE charge notices. All outstanding balances must be cleared up immediately. We appreciate families attention and cooperation as we close out the lunch accounts for the school year.

We want to hear from you!

Neah-Kah-Nie School District Food Service would like input from parents regarding school meals. Please take a moment to complete the Meal Program Parent survey.

A MESSAGE FROM THE FAMILY RESOURCE CENTER

This school year, the Family Resource Center has loaned out a record number of swim suits and towels to ensure that all kids are able to participate in the swim program. Unfortunately, many of the suits have not been returned. If you have unfamiliar swimsuits or towels at your house, chances are they belong to the Family Resource Center. If your child has out grown his/her swim suit and there is still a lot of 'wear' left in it, you can donate it to the school and it will be used next year for those who forget, lose, or don't own a swim suit. Towels in good shape will also be put to good use. Thank you.

LOST AND FOUND

All Lost and Found items are displayed in the main hallway. Unclaimed items will be donated to local area thrift shops. Please encourage your child to look for missing items - or come and look for yourselves. If you come during school hours, please remember to sign in at the office. Thank you & Happy Hunting.

A NOTE FROM YOUR NES ATTENDANCE FAIRY

How can it be that we are in our last weeks of school? Parents, please be looking for a yellow sheet of unexcused absences in your child's report card. Please call the school office to update your child's attendance. All unexcused absences will be put on their permanent record.

Reminder to parents: Please remember to call the office in the morning if your child will not be attending school. **(A doctors note is required if child is ill or at an appointment.)**

Help Your Child Succeed in School: Build the Habit of Good Attendance Early.
School success goes hand in hand with good attendance!

When Do Absences Become a Problem ? Note: These numbers assume 180-day school year.

CARNIVAL

Our Carnival was a great family event! We would like to thank the people who volunteered their time, donated items and came out to the event.

We had three wonderful face painters this year, and we thank them very much! Megan Sokol from Cannon Beach Arts Association was one of them, and she runs the summer art camp program at CBAA. There are many great options for our children there this summer, and you can check them out at: cannonbeacharts.org/summerartcamp2019

Together, we raised over \$1,200 that will go toward our school supply budget...YAH!

A huge thank you to the middle school volunteers who helped us run the games and community volunteers. Our Carnival Committee eally stepped up their game this year adding two new games and an obstacle course - a big thank you also to them! Our food concession also did an outstanding job!

We are already excited to start planning for next year and hope to see you all there!
