To Whom It May Concern:

It is with a heavy heart that I type this letter. I will be stepping down as the Athletic Director for Napi Elementary. I am truly grateful for the opportunity to help our school learn the fundamental techniques in all sports. To see students, believe in themselves and succeed was the greatest joy I found being the athletic director. I have neglected my schooling in which I need to finish in order to become a permanent teacher. That is my goal is to become a full-time teacher for Browning Public Schools and trying to juggle between school and work has been overwhelming.

I know the next athletic director will do great. Mrs. Bird and Ms. Racine are very easy to work with. They have supported my entire time being the athletic director. I will support the next director in any way I can.

I will finish out the Cross Country and Football season and will be stepping down, October 17th. Again, I can't thank the staff enough for all their support and encouragement they've shown the athletic department.

Sincerely,

Earl V. Taii
