- A. Public Purposes: The School Board has identified the following educational public purposes for district's support of the Foundation:

B. Commitment: The School Board agrees to provide the following to the Foundation, provided that the public purposes continue to be met and the controls continue to be implemented, and subject to the School Board's continuing right to refuse to appropriate the necessary funds in any budget year. Any and all devotion of District funds or resources under this Agreement shall be within the sole discretion of the School Board.

1. The District shall share annually with the Foundation its strategic plan, institutional priorities and projects, and resource requirements, so that the Foundation may represent the direction and needs of the District to donor prospects and align its programs and campaigns consistent with the strategic objectives of the District.
2. The District shall promptly alert the Foundation to prospective gifts, so that each opportunity for enhancing gift potential and donor relations is fully utilized.
3. The District shall provide:

For purposes of this Agreement, amounts contributed to the District in any fiscal year shall include all grants to teachers, educational programs, and all payments to an endowment fund made in that fiscal year, but shall not include monies deposited into retained earnings until those retained earnings are spent for the benefit of the District through a teacher grant, educational program or endowment payment.

3. The Foundation agrees that it will require its personnel and the District personnel providing services to the Foundation to follow all policies and procedures of the District when representing the District or the Foundation in any capacity.
4. The Foundation agrees that it will continue to recognize the District as the sole beneficiary of its solicitation program.
5. The Foundation has fiduciary responsibility for the operation of the Foundation and the authorization of the expenditures of funds. The Foundation is responsible for providing to the assisting District employee any necessary training, guidance, or other information regarding the business, operations, or any special needs of the Foundation.
6. The Foundation shall collect and authorize such funds to be used for educational projects in alignment with the District's strategic plan and institutional priorities.

9. The Foundation shall be solely responsible for obtaining financial and legal advice independent of the District.

D. Controls: The School Board and the Foundation Board agree on the following controls, to ensure that a proper public educational purpose is served by this arrangement:

1. The Foundation shall provide the School Board with an annual report, which shall be presented to the School Board at a public School Board meeting. The Foundation shall provide a cost-benefit evaluation to the District regarding the District's investment in the Foundation and the Foundation's use of this investment for educational or public purposes.
2. The Foundation shall provide an IRS Form 990 annually to the School Board, which shall reflect the District's contributions to the Foundation and which shall be reviewed against the District's accounting records to ensure accuracy.
3. The Foundation shall abide by all policies and procedures of the District related to facility and equipment use, personnel, public information, and all other applicable policies.
4. 5. Any District employees assigned to assist the Foundation shall be at-will employees of the District, under the direct supervision and control of the District. The Foundation may consult with the Superintendent regarding the job performance of assigned employees.
6. The Foundation understands that, as a result of the District's investment in the Foundation, the documents of the Foundation may be subject to the Texas Public Information Act, absent any specific exemption for nondisclosure. The Foundation agrees that the District shall handle all Public Information Act requests and agrees to cooperate fully with the District in fulfilling its obligations under the law.
