

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: February 19, 2019

AGENDA ITEM: Consider Approval of Aledo ISD District-Wide Instructional Calendar

PRESENTER: Lynn McKinney, Deputy Superintendent and Amber Crissey, Assistant Superintendent of Curriculum and Instruction

BACKGROUND INFORMATION:

A calendar committee consisting of teachers and administrators began meeting this fall to develop the 2019-2020 instructional calendar. This proposed calendar is reflective of District of Innovation flexibilities that allow for increased local control regarding the development of the district instructional calendar. Several draft calendars were presented to the Bearcat Leadership Team in November. The calendar committee then met several times to review and revise the proposed calendar. Calendar committee members were asked to share the proposed calendar at each campus to receive additional feedback. The calendar committee was working parallel to the District of Innovation Committee. The proposed calendar meets the required minutes of instruction for the 2019-2020 school year.

The proposed calendar was posted on the district website from December 17th through January 11th for public comment from all stakeholders.

A final calendar committee meeting was held on January 15th to review all stakeholder feedback. Administration and the committee worked together to review the feedback. The DWEIC/DOI committee reviewed the final proposed calendar from the calendar committee on January 17th.

The proposed calendar was presented to the Board of Trustees at the January 22, 2019 regular Board meeting for a first reading.
