*\*TOPS ES closed on the last day of Semester 1.*

### December Highlights

		
<p>We scored our highest December EOC pass rates in the history of our school for Biology and US History!</p> <ul style="list-style-type: none"> <li>* Biology – 73% (100% of those in attendance)</li> <li>* US History – 87% (100% of those in attendance)</li> </ul>	<p>We had fun at Narwhal Night, a school spirit event where families met at restaurants around TX to share a meal and celebrate being TOPS Narwhals!</p>	<p>Students participated in a TOPS Scavenger Hunt to show their school spirit!</p>

### January Priorities

- Effectively re-engage students for a strong start to second semester.
- Launch second semester small groups in alignment with end of semester 1 data.
- Provide effective professional development and coaching for administrators and teacher leaders on implementing an effective instructional management cycle.
- Provide effective professional development and coaching for teachers on providing differentiated, standards-aligned instruction in the asynchronous course.
- Partner with Teach Big to execute effective teacher PD related to STAAR/EOC-aligned writing instruction.
