**FROM:** Alicia Syverson, Assistant Superintendent for Student and School Support

**SUBJECT:** **DISCUSSION OF AND REQUEST FOR APPROVAL OF  
MEMORANDUM OF UNDERSTANDING WITH TEXAS TECH  
DEPARTMENT OF FAMILY AND COMMUNITY MEDICINE**

**DATE:** November 19, 2019

---

District request for Memorandum of Understanding with Texas Tech Department of Family and Community Medicine. This Memorandum of Understanding (MOU) sets the terms and understanding between the Ector County Independent School District "ECISD" and the Texas Tech School of Medicine for establishing a School-Based Clinic using telemedicine equipment connecting the school nurse office with Texas Tech Family Medicine.

#### **Background**

School-based medical clinics (SBMCs) help improve the lives of children because they bring much needed medical services to students where they are, in school. SBMCs support student success because healthy students are better learners.

#### **Purpose/Goals**

This MOU will provide direct medical services by a Family Doctor (MD) as follows:

- Physical assessment and treatment of acute illnesses
- Treatment plans and medication management for chronic diseases that are stable
- Rapid intervention for acute illness before disease progresses
- Reduced absences due to prompt identification and treatment of illnesses.
