12/3/14

Our Veteran's Day Program was a great success! It took many people working together as team for everything to run so smoothly. Mr. Thompson arranged for a delicious meal, and the NJHS students served and provided desserts. Mrs. Walker and Mrs. Smith planned a wonderful program and made sure our elementary students were prepared. I was so proud of everyone for coming together to honor our Veterans. The students wrote letters to give to the Veterans and we still have some letters hanging up in the hall outside the music room if you haven't had a chance to read them, you should really come by, our students did a wonderful job!

We had several elementary students compete in the Academic UIL Contests on Friday, November 14th. They worked hard and represented our school well. The following students placed in these contests:
