

Glendale & Big Sky Colony Schools

August Board Report

Submitted by: Rebecca Rappold, Principal

August has been busy planning and preparing for the new school year. Supply lists have been ordered and planning for multi-grade instruction at the colony schools. At the Big Sky Colony, Ms. Christoferson and Ms. Racine will be the 1st-8th grade classroom teachers. Ms. Show will teach grades 1-8 at the Glendale Colony. Enrollment at Big Sky School will be 23 students and Glendale will have 12 students for the 23-24 SY. We will be having our collaborative planning sessions during the BPS Orientation Days of August 15-17. During those days, we will finalize the master calendar, daily/weekly schedules, as well as have new program training for ELA and mathematics programs. Also this summer, colony teachers have participated in professional development that included multigrade instruction, art in the classroom, and the Hutterite Colony Educator Conference.
