Pursuant to Section §67.003 of the Texas Election Code the canvass generally must take place no earlier than the eighth day after the election date, and no later than the 11<sup>th</sup> day after the election date; however, the results of a May election may be canvassed as early as three days after the election, but only if there are no outstanding late (overseas) ballots, ballots by mail, or provisional ballots.

The last day to receive carrier envelopes placed in the mail by 7:00 p.m. on Election Day, May 7, 2021, from voters who are voting outside the United States is May 6, 2021; therefore, it is recommended that the Board of Trustees set the date for canvassing the election anytime between May 4 and May 12, 2021.
