**Re:** Board Report March 2025

**Goal: Portrait of a Graduate**

- 2 CHS seniors (Luke Mourad and Samuel Trimble) advanced from the Semi Finals to Finals standing in the National Merit Scholarship program. This is earned by demonstrating distinguished performance and high potential for future academic accomplishment based on their 2024 SAT scores. They will find out in March if they are chosen for the National Merit Scholarship.
- On February 26, 2025, 68 new juniors were inducted into the CHS chapter of the National Honor Society.

**Goal: Engagement**

- Wednesday, March 5, Link Leaders hosted 119 freshmen for a cocoa and cram study session to help prepare them for their trimester 2 final exams. It was a very successful event that also allowed freshmen to connect with their link leaders.
- The NHS hosted a blood drive on March 5th. The Red Cross was excited to share that 39 pints of blood from this drive was collected.

**Goal: Health and Safety**

- Our students began scheduling their sessions for our first Wellness Day, on March 17th. We are thankful for our community partners that will be hosting a number of [sessions](#) for students to pick from and attend. Chris Simpson also worked with our staff to prepare a special menu for our students that day.
