## Currently Working On

### **Teaching and Learning**

- **Explicit Instruction**
- Our Explicit Instruction Leadership team met on April 23<sup>rd</sup> to discuss the progress that we made and to plan for the end of the school year. We are pleased with each grade level teacher recording themselves and reflecting on their video. Our hope at the beginning of the year was to increase teacher comfort levels in making lesson recordings. We would like video recording and reflection to be part of our teaching practice. Moving forward we asked each teacher to voluntarily share their video so that we can start developing a library of videos for others to utilize as a resource. So far three teachers have shared their videos to our video library.

### **Student Relevance Goal**

Redefining Ready – CESA 9 is designing a template for our Redefining Ready report card based on the indicators and points of pride that I sent over to them. A draft of our elementary card is below:

### **Whole Student**

- **-PBIS (Hatchet Pride)**
- We will continue to have both Tier 1 and Tier 2 Hatchet Pride meetings. We are striving for consistency throughout the building with our matrixes of expectations being visible throughout all areas of the building and consistency of follow-through
