PROPOSAL RANKING CRITERIA

Project: Eagle Pass Independent School District
Fire Lines and Fire Hydrants for Eagle Pass High School and C.C. Winn High School

General:
The **Eagle Pass Independent School District** has set forth the following persons as an evaluation committee for ranking the prospective contractors for the Eagle Pass I.S.D. for the above mentioned project.

Ranking Committee:
Mr. Gilbert Gonzalez, Superintendent of Schools
Mr. Ismael Mijares, Deputy Superintendent for Business and Finance
Mr. Rolando Salinas, Deputy Superintendent for District Operations
Mr. Pedro Felan, Facilities and Maintenance Director
Mr. Luis Velez, Purchasing Director
Mr. Davis Powell, Architect of Record

The committee will evaluate, rank, and publish the results based on the ranking criteria and the assigned appropriate weight as listed below. The committee will then begin to negotiate with the highest ranking proposal submitted. If a negotiated contract cannot be reached, and after the appropriate notification has been made, the committee will then move to the next highest ranking proposal submitted. This process will continue until a satisfactory contract has been negotiated or all proposals are rejected. In the event of a tie in the rankings the **Eagle Pass Independent School District** shall break the tie based upon the determination of which proposal will provide the best value. Furthermore, subjective judgment is implicit in the criteria selection process. The selection process shall permit placing technical considerations above total price. Therefore, the **Eagle Pass Independent School District** reserves the right, once the proposals have been ranked, to award to other than the lowest proposed price.

This contract shall be presented to the **Eagle Pass Independent School District Board of Trustees** by the evaluation committee for approval. The **Eagle Pass Independent School District Board of Trustees** retains the right to award or reject all bids in their entirety.
