District Campus Improvement Planning

Board Goal:

The Campus Improvement Planning process for the 2024-2025 school year supports the following Board of Trustees value statements:

- Students will graduate college, career, and/or military ready.
- Students will be engaged in extra/co-curricular activities.
- Students will demonstrate evidence of mastery of Algebra I by the end of 9th grade.
- Students will demonstrate evidence of reading on grade level by the end of 3rd grade.
- Staff members are highly engaged.
- Families and our communities are highly engaged.

Purpose of Report

Campus Improvement Plans are compiled after each district campus leadership team completes a campus comprehensive needs assessment. The purpose of this report is to share each campus improvement plan with the board to show how our goals and action steps are aligned to board goals, district goals, and campus goals. The plans are a working, living document that provide each campus a pathway for student success. This report will show each campus goal(s), action steps to reach that goal, any financial implications, persons responsible, and a timeline for achieving the goal. The CIP's will highlight the great work our district is doing to support student achievement, student engagement, and social/emotional learning.

Objectives

- To share the goal(s) and action step(s) of each campus
- To highlight areas of strengths
- To share opportunities for growth

Operational Impact

We do not foresee any operational impact

Results

Campus Improvement Plans are designed to provide insight to all stakeholders with regards to campus and district goals. Additionally, Campus Improvement Plans for 2024-2025 will allow the campuses to focus on the action steps needed to reach their goals supporting student success.

Other Options

The Board can always determine any additional goals they would like to add.
