

Executive Summary

Prepared for Board of Trustees Meeting

September 14, 2010

DCTA – Realignment of Robertson Road at Fred Moore High School

Board Goal:

VI. Growth & Change ... In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principals in building design, transportation alternatives and operating procedures.

Purpose of Report

The Purpose of this Report is to inform the Board of Trustees of the realignment of Robertson Road adjacent to Fred Moore High School and to illustrate the operational impacts to the District. As part of the realignment, DCTA will provide a renovated parking area to the north of Fred Moore High School.

Objectives

- To partner with the City of Denton, South East Denton Neighborhood Association and DCTA for a better community environment
- To educate District constituents of street modifications near Fred Moore High School
- To provide updated parking and sidewalks to Fred Moore High School
- Provide safe learning environments for students, staff and public.

Operational Impact

The realignment and parking improvements may cause modifications to normal bus and parent routes. Coordination between District Transportation, Curriculum and Communication Departments is imperative. There is no monetary cost impact to the District for these improvements.

Results

A new plan for Robertson Road has been developed along with a new parking configuration north of Fred Moore High School. Several coordination meetings and community group discussions have led up to this course of action. Strict timelines by the City will be vital for this project to move in an efficient manner. District personnel will continue to attend City and DCTA events to provide Denton ISD perspective and to collect data for the Board of Trustees.

Other Options

The Board of Trustee's attorney will need to work with District staff to facilitate possible lease agreements with DART and DCTA for the improved parking area.
